1. The following is an examiner's statement of reasons for allowance: The claims (1-18 and 21) have been allowed because, as noted in applicant's remarks, neither the references to Tramontina nor Mott disclose a member for urging the paper products and that extend through the slots in both a container and a cartridge, where the cartridge is disposed within the container.. The rejections for anticipation and for double patenting by use of the publication (2004/0206768) to Tramontina et al are withdrawn because , as noted in applicant's remarks, the specification of the matter in the publication have been misplace and is presently being corrected.

2. Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Kenneth W. Noland whose telephone number is (571) 272-6941. The examiner can normally be reached on Monday-Thursday ,each week.
